## Technical Skills

-  **Mobile Development**  
Flutter (Dart), React Native, Android SDK (Java/Kotlin), iOS SDK (Swift).
-  **AI & Integration**  
Mobile Machine Learning, TFLite, ONNX, DJI SDK Integration (Drones).
-  **Frontend Web**  
HTML5, CSS, JavaScript, React, JQuery, XML.
-  **Backend**  
Java, PHP, Twig.
-  **Databases**  
MySQL, SQLite.
-  **Methodologies**  
Agile (Scrum, Kanban).
-  **Tools**  
Git, Visual Studio Code, Android Studio, XCode, Netbeans.
-  **Soft Skills**  
Leadership, Problem Solving, Continuous Learning, Proactivity.

COMPUTER SYSTEMS ENGINEER

# Mario Antonio Rodríguez Cedeño

Mobile Developer | Flutter · React Native · Android · iOS | Edge AI | Machine Learning

## Professional Profile

Computer Systems Engineer with solid experience in the design, development, and deployment of native and cross-platform mobile applications. Specialized in hardware integration, Edge AI, and Machine Learning model optimization. Passionate about technological innovation and building solutions that deliver real value to users and the business.

Originally from Ecuador, currently pursuing a master's degree in Burjassot (Valencia, Spain). **Authorized to work up to 30 h/week** (student residence permit).

## Professional Experience

- Mar 2025 – Sep 2026 **IDS–Mobile Lead**  
**Altura S.A.** | Manta, Manabí, Ecuador
- Technical leadership in the architecture and end-to-end development of mobile apps.
  - Advanced integration of DJI SDKs for drone control and automation.
  - Implementation of Edge AI solutions and deployment of ML models (facial recognition and OCR) in real time.
- Apr 2024 – Sep 2026 **Mobile Developer**  
**Altura S.A.** | Manta, Manabí, Ecuador
- Development and maintenance of native (Android/iOS) and cross-platform apps.
  - Management of deployments and releases (code signing, provisioning) on Google Play Console and App Store Connect.
- Apr 2023 – Mar 2024 **Frontend Developer**  
**Pardux** | Quito, Pichincha, Ecuador
- Layout and maintenance of user interfaces (UI) for responsive and scalable web applications.
- Oct 2020 – Nov 2022 **R&D Specialist**  
**Altura S.A.** | Manta, Manabí, Ecuador
- Research and implementation of new technologies, architectures, and methodologies for app development.

## Education

### Master's Degree in Web Technologies, Cloud Computing and Mobile Applications

Universitat de València | Valencia  
Sep 2026 – Present

### Computer Systems Engineering

Universidad Técnica de Manabí | Portoviejo  
Oct 2015 – Aug 2023

## Thesis Project

### Collaborative mobile app for augmented communication for hearing inclusion

- Android SDK (Java) and Firebase Cloud.
- Custom Machine Learning model.
- Automatic transcription of text into sign language through real-time image and gesture generation.

## Certifications

-  **Flutter** Course – Platzi (Feb 2023)
-  **Android Technical Foundations** Course – Platzi (Mar 2023)
-  **Interface Design with Android Studio** Course – Platzi (Mar 2023)
-  **Android Enterprise Associate** – Android (Sep 2024)
-  **Android Enterprise Professional** – Android (Dec 2024)
-  **Samsung Knox Associate** – Samsung (Aug 2024)
-  **Samsung Knox Professional** – Samsung (Sep 2024)

## Key Strengths

-  Development of native and cross-platform mobile applications.
-  Hardware and SDK integration (DJI, sensors, IoT devices).
-  Machine Learning and Edge AI on mobile devices.
-  Architecture and deployment on Google Play / App Store.
-  Scalable, high-performance solutions.
